VEHICLE RENTALS | UTAH

RENTAL VEHICLE INSURANCE NOTICE

Your own motor vehicle insurance or credit card agreement may cover any damage or loss to the rental vehicle.

Before you take the vehicle

Ask your insurer or credit card benefits provider whether coverage applies to this specific rental, vehicle, dates, drivers and intended use. Check limits, deductibles and exclusions.

Coverage is determined by your policy or benefit terms. An insurance card or your signature does not guarantee coverage or payment of a claim.

Review your itemized rental order and agreement before signing. Ask us about any charge or coverage question before pickup.
